

## THE KRONEN GROUP

### Introducing the New Evolution in Real Estate Service That's Better, Bolder and More

- The Kronen Group: Marco Kronen, Joshua Good, Sarah Hamack
- Seattle urban real estate – it's what they do
- Action from experience and research, not guesses
- Unique packaged services for buyer and seller
- Allegiance solely to clients

It's easy to see how Marco Kronen and the Kronen Group captured the prestigious *Seattle Magazine* 'Five Star Best in Client Satisfaction' award for 2006. Their clients describe transaction experiences in terms that express how deep their satisfaction runs.

"Keen knowledge of finance, local real estate practices and property values in our neighborhood of interest made them a deciding factor in our purchase decision." — Mark T Paul

"Not one detail was missed and we felt comfortable every step of the way. They were confident and able to get us the best offer for our home."

— Kristina Sutton

"Simply put, Marco goes the extra mile to get the job done right!"

— Matt and Monica Shriber.

What could create such afterglow in real estate clients? The Kronen Group agents are *different*. They move buyers' households at no cost. They fix sellers' homes and hold bills until closing. They don't just sell, they market with professional marketing advisors. They make good their slogan about a new evolution because they relocate the transactions from the pain zone to the land of ease and comfort.
