Dani rents or sells your property fast. She works hard for you, and advertises your listings widely. Dani has a deep understanding of this area's uniqueness, because she's lived and worked in Laguna since 1968. Dani has been the # 1 Rental agent in Laguna for years. Buyer or renter, you can expect quality properties, given Dani's passion for Laguna Beach -- the art and culture capitol of the California Riviera.

Residents say there could scarcely be a more desirable place to live and work. Laguna is famous for its artists, village atmosphere, world-renowned festivals, fabulous dining, shops, and galleries - and the boardwalk park at Main Beach. As you walk along sunny, flower-laden cliffs, Laguna charms your soul. Ocean view homes, historic cottages and upscale resorts rise above the unspoiled coastline and crashing surf. This is the home of relaxation in scenic splendor, an ideal place to live and work. No wonder it bustles year-round with visitors.

Dani's the Founder and Owner/Broker of Team Laguna, the expert associates who help her sell Laguna Beach with one focus - giving you the best possible service and professionalism. When you buy or rent through Dani, you find desirable Laguna locations quickly.

When you list with Dani, your property moves! To discuss your real estate needs, call Dani today at (949) 874-1187.
